Fragments of a love
That's all we have
What we had was fantasy
Dreams and photographs
Hypnotic melodies could sing our song
A comfortable rhythm in a comfortless world

How do you know when love has gone
There's so much more within me
How do you know the passion's gone
I know
I just don't feel it
How do you know when love has gone
Oh baby
How do you know the passion's gone
I know we have to move along

Someday you'll forget me
Someday you'll forget me

Someday you'll forget me
Someday you'll forget me

A fragrant memory is soon to fade
We lived our love of make believe
Dreams and fairy tales
Now we say goodbye
Habitual romance
A rose without her petals and a song without a dance

How do you know when love has gone
There's so much more within me
How do you know the passion's gone
I know
I just don't feel it
How do you know when love has gone
Oh baby
How do you know the passion's gone
I know we have to move along

Someday you'll forget me

Someday you'll forget me

Someday you'll forget me
Someday you'll forget me

How do you know when love has gone
The song has gone within me
How do you know when passion's gone
I know we have to move along

Someday you'll forget me
Someday you'll forget me

Someday you'll forget me
Someday you'll forget me

Someday you'll forget me
Someday you'll forget me

Someday you'll forget me
Someday you'll forget me
