The long and winding road that leads to your door will
never disappear
I've seen this road before
It always leads me here
Lead me to your door

The wild and windy night that the rain washed away
has left a pool of tears
Crying for the day
Why leave me standing here
Let me know the way

Many times I've been alone and many times I've cried
Many ways you'll never know
The many ways I've tried

But still they lead me back to the long winding road
You left me standing here
A long
Long time ago
Don't leave me waiting here
Lead me to your door

But still they lead me back to the long winding road
You left me standing here
A long
Long time ago
Don't keep me waiting here
Lead me to your door
