Music By: The Corrs Lyrics By: Andrea Corr
I haven't slept at all in days

It's been so long since we've talked

And i have been here many times
I haven't slept at all in days
I just don't know what i'm doing wrong
It's been so long since we've talked

And I have been here many times

I just don't know what I'm doing wrong
What can i do to make you love me

What can i do to make you care
What can I do to make you love me
What can i say to make you feel this
What can I do to make you care
What can i do to get you there
What can I say to make you feel this

What can I do to get you there

There's only so much i can take
There's only so much I can take
And i just got to let go
And I just got to let go
And who knows i might feel better, yeah
And who knows I might feel better, yeah
If i don't try and i don't hope
If I don't try and I don't hope

What can I do to make you love me
What can i do to make you love me
What can I do to make you care
What can i do to make you care
What can I say to make you feel this
What can i say to make you feel this
What can I do to get you there
What can i do to get you there

No more waiting, no more, aching

No more fighting, no more, trying...
No more waiting, no more, aching

No more fighting, no more, trying...
Maybe there's nothing more to say

And in a funny way I'm calm

Because the power is not mine
Maybe there's nothing more to say
I'm just going to let it fly...
And in a funny way i'm calm

Because the power is not mine
What can I do to make you love me
I'm just going to let it fly...
What can I do to make you care

What can I say to make you feel this

What can I do to get you there
What can i do to make you love me
What can I do to make you love me
What can i do to make you care
What can I do to make you care
What can i say to make you feel this
What can I say to make you feel this
What can i do to get you there
What can I do to get you there
What can i do to make you love me

What can i do to make you care
And love me...love me....love me..
What can i say to make you feel this
Fade Out
What can i do to get you there

And love me...love me....love me..
Fade out
