[Bono]

Dancing where the stars go blue

[Andrea]

Dancing where the evening fell

[Bono]

Dancing in your wooden shoes

[Andrea]

In a wedding gown

[Bono]

Dancing out on seventh street

Dancing through the underground

[Andrea]

Dancing little marionette

[Both]

Are you happy now

(Yeah)

Where do you go when you're lonely

Where do you go when you're blue

Where do you go when you're lonely

[Bono]

I'll follow you when the stars go blue

Blue

When the stars go blue

Blue

When the stars go blue

Blue

When the stars go blue

Laughing with your pretty mouth

[Andrea]

Laughing with your broken eyes

[Bono]
Laughing with your lover's tongue

[Both]
In a lullaby
(Yeah)

Where do you go when you're lonely
Where do you go when you're blue
Where do you go when you're lonely

[Both]
I'll follow you when the stars go blue
Blue
When the stars go blue
Blue
When the stars
When the stars go blue
Blue
When the stars go blue

When the stars go blue
Blue
Blue
Stars go blue
When the stars go blue

[Bono]
Where do you go when you're lonely

[Andrea]
Where do you go when you're blue
Yeah

[Both]
Where do you go when you're lonely
I'll follow you
I'll follow you
I'll follow you
Yeah

Where do you go
Yeah
Hey
Yeah
Where do you go
Where do you go when you're lonely
