You don't have to Wake up in the morning wishing I was
by your side,
You don't have to say that you miss me when you're
kissing me goodbye,
With every hour, we're closer now,
Always keeping us apart.

It's only time,
Hush now baby don't you cry,
Turn each teardrop to a smile,
It's only time till I'm with you.

Time,
Hush now baby dry your eyes,
Soon I'll be there by your side,
It's only time till I'm with you.

Gonna be the one to make you crazy be a slave to your
desire,
I know you're gonna feel like I feel when I'm pleasing
you tonight,
With every hour, we're closer now,
Always keeping us apart.

It's only time,
Hush now baby don't you cry,
Turn each teardrop to a smile,
It's only time till I'm with you.

Time,
Hush now baby dry your eyes,
Soon I'll be there by your side,
It's only time till I'm with you.

Time.

Time.

Time,
Hush now baby don't you cry,
Turn each teardrop to a smile,

It's only time till I'm with you.

Time,
Hush now baby dry your eyes,
Soon I'll be there by your side,
It's only time till I'm with you.

Time,
Hush now baby don't you cry,
Turn each teardrop to a smile,
It's only time till I'm with you.

Time,
Hush now baby dry your eyes,
Soon I'll be there by your side,
It's only time till I'm with you.
