Hard to believe you was so recieving  
Pay for dead i was barely breathing  
Liny by on the hate inside on this memories  
Gotta this tragedy

I want to watch you suffer  
Like you watch me burn

It better be callen  
Show me that you really want it  
Swear me all your excuse Its  
Tell me that you sorry that im meaning  
Falling into your knees  
And who to me and not the same  
Beg for mercy

See you leave you're so self-to-feeding  
Its not on my back still keeps me bleeding  
You weaked lies every compromise  
Fullyly you can see all that you top for me

I want to watch you suffer  
Like you watch me burn

It better be callen  
Show me that you really want it  
Swear me all your excuse Its  
Tell me that you sorry that im meaning  
Falling into your knees  
And who to me and not the same  
Beg for mercy

It better be callen  
Show me that you really want it  
Swear me all your excuse Its  
Tell me that you sorry that im meaning

Falling into your knees  
And who to me and not the same  
Beg for mercy

I want to watch you suffer  
Like you watch me burn  
Beg for mercy  
I want to watch you suffer  
Like you watch me burn  
Beg for mercy!
