(repeat 4 timez)

(Southstar)

Im so violent  
Keep yall behind me  
spit so raw  
I'll make yall rewind me  
just to learn this song  
just to rap along  
I'm like Mills Lane  
ready to get it on  
Ima prove a point  
listen to the joint  
only hot shit  
I don't ever disappoint  
and even with the cheddar  
I keep it so gutter  
and even with the pressure  
man I won't stutter  
yo this aint no joke  
I'll make you speak in smoke  
if you get too close  
give you a heat stroke  
see its my time  
can't take the shine  
and when I'm done with this  
They building me a shrine  
so in the mean time  
make the game mine  
I got enough rhymes  
to last a life time  
so Ima keep goin  
aint no way of slowin-me down  
'cause you know Southstar  
will keep flowin

(chorus 4 times)

(Smilez)  
You know the flow sick  
know this  
smilez focus  
drop 16 and yo mans foldin  
burpin after I eat him for din din  
then look at his boys  
they like I'm not with him  
Yo smilez keep it gully  
up in the Lex buggy  
with ma rubbin my tummy  
suck it baby from me  
your girl real funny  
I understand it my back  
I'm not sure  
that once I'm done with you  
theres no comin back  
keep my hat tucked low  
anyway I choose to go  
wanna meet my dough  
first meet my fofo(44)  
these niggaz act sour  
when they around ya  
but bullets like aliens  
don't catch a close encounter  
rhymes you can bet  
keep em phat nuttin less  
put this in ya veins  
and youll catch cardiac arrest  
who cares how dope you is  
or who you rollin with  
you can't touch the hair  
on my chinny chin chin Biotch

(Chorus 4 times)

(Southstar)
