Hey, yo...

Pigeons, chickens, birds, poodles
They understand me like I'm Dr. DoDoodle
Cept for you dogs that like to talk doo doo.
You know what I do to dogs like you?
Spaid you.
I ain't new to this
Cept for that grey 6.
Pull dat out and all y'all believe me.
"Shit he ridiculous."
"Shit keep playin it."
Callin me Ron Isley,
"You're contageous."

What you talkin for?
What you takin dog?
Your whip sittin on a statutory rape charge.
What dat mean?
Your rims under 18.
Mine LnE AARP.

Get your Millie Vanilly flow away from me.
K-Mart rap... You need to bring it back.
Bring it back.
Ma on my jack like,
"Dat nigga Smilez is where it's at."
'cause I jump out da whips.
Belly for a Chrys.
Dimes on my hip.
Now tell me, what you call this?

Ridiculous.
Ridiculous.
35 Girls on the floor just shakin it.
Can't hold yours?
Yo we takin it.
Chumps in the corner steady hatin us.

Ridiculous.

Ridiculous.
Better watch out.
We conspicuous.
Got it on lock.
Yo we takin it.
We livin this.
Ridiculous.

From MTV to BET.
Radio to TV.
Video to CD.
We be the cats settin dem trends.
Makin dem ends.
Stayin wit girls rated 10s.
I got girls all over
Wantin me as their groom.

ATL, ST. Lou, New York, O-Town.
Ridiculous.
Ridiculous.
35 Girls on the floor just shakin it.
Can't hold yours?
Yo we takin it.
Chumps in the corner steady hatin us.

Better watch out.
We conspicuous.
Got it on lock.
Yo we takin it.
We livin this.
