Tell me watcha think is goin' on (what's goin' on girl?)

Too, late, heartbreak

Tell me watcha think is goin' on (whatchu think, huh?)

What's goin' on, what's goin' on

Verse 1:

Yo, eh yo me and miss thing we were the perfect team

We had all the things all them otha couples fiend

Love, trust, good sex and security

If you eva felt weak Smilez was ya enagy

Trips across sea show you the fina things

No more Burga King it was fine dine cuisine

And if we neva had it I don't think it matt'd

We were a classic like Nas and illmatic

I was so decieved, I thought we had a thing

Used to blow my two way up in 143's

Da L.O.V. had me blind I had to see

I trusted my friends all they were yellin' at me

How can you do me so wrong I don't wanna get gone

I invested three yeas ma, plus this song

I'm so confused, where to go how do I choose?

I guess to find real love I gotta pay mah dues

Chorus:

Love, hate, mistakes

Tell me watcha think is goin' on (whatchu think, huh?)

Debates all day

Tell me watcha think is goin' on (what's goin' on girl?)

Too, late, heartbreak

Tell me watcha think is goin' on (whatchu think, huh?)

What's goin' on, what's goin' on

Verse 2:

It seems so good yo we used to chill in the hood
You made me feel that tingle in my heart like nobody
could
And all alone we stood when times was hard
Even before all this rap (rap)* made me a star
When I was workin' two jobs just to survive
When I felt like killin' myself you kept me alive
What a pair, me and you, we was a match
Different tastes but you know opposites attract
By my side, hold my head and kept me strong
Still trynna figure out where da hell we went wrong
I did what I can young cat bein' a man
stayed and weathered storm when most woulda ran
Too much pride and you know men don't cry
Had to let you go even though it hurts inside
All by myself I had to turn to these rhymes
It's the only way I know to release my mind

Chorus:

Love, hate, mistakes
Tell me watcha think is goin' on (whatchu think, huh?)
Debates all day
Tell me watcha think is goin' on (what's goin' on girl?)
Too, late, heartbreak
Tell me watcha think is goin' on (whatchu think, huh?)
What's goin' on, what's goin' on

Verse 3:

It's been a while yea you know time goes fast
Let me tell you though some things still don't pass
Sit back in the pad, think about the times we had
Try not to let it make me sad or make me mad
I'm trynna move on wit my life, the wound is healed
Yeah I'm just speakin' it real, I'm ready to feel ready to
provide for my seed
A man now bet you can't believe it's me

You ruined a good thing in all of our dreams
Trynna lock me down a lifetime in the beam
Monitrin' my calls, Ripin' at my dogs
I neva really undastood the cause
My friends were ya friends
Ya friends were my friends
Ya dough is my dough
My dough is my dough
Mano e mano
We foot this weatha and for
Everybody that's been through it then sing it togetha

Chorus til it fades:
Love, hate, mistakes
Tell me watcha think is goin' on (whatchu think, huh?)
Debates all day
Tell me watcha think is goin' on (what's goin' on girl?)
Too, late, heartbreak
Tell me watcha think is goin' on (whatchu think, huh?)
What's goin' on, what's goin' on

*This is replaced with "shit", without the quotes and parenthesis, in the dirty version of the song
