Call the pilot tell him we're going down  
I am not afraid  
Call the doctor tell him I'm feeling down  
I am not afraid

I think you need to lie  
A little better than you seem to do  
So start believing me  
When and what I say to you

There's something behind the trees!

You want me to be brave  
Like a lion, like a king  
I'm doing the best I can

And I am not a hero  
Do you miss me?

Put your faith in me  
I can tell you what I can do  
And I have done all that I can do with my bare hands  
There's only so much more that I can do

I think you need to lie  
A little better than you seem to do  
So start believing me  
When and what I say to you

There's only so much that I have done  
What did you want from me?  
I gave and I gave it all  
What did you want from me?  
I gave you everything
