"Embrace"

I'm finished with the person you thought I was!
I've become something that you need to embrace!

EMBRACE!

All of this was too much for me
Always going unnoticed, pushed to the ground
As if I was begging to be heard.
Now I'm going against your every word!

The very thing that made me who I am, was breaking
me apart.
Now I'm taking a fighting chance,
Something I should have done from the start!.

Stronger than ever!
Never beaten down!
I've become!
Stronger than ever! Stronger than ever!
I've become!

The very thing that made me who I am, was breaking
me apart.
Now I'm taking a fighting chance,
Something I should have done from the start!

RISE!
TO!
THE TOP!

RISE!
TO!
THE TOP!

RISE TO THE TOP!

EMBRACE!

All of this was too much for me.
Always going unnoticed, pushed to the ground.
As if I was begging to be heard.

Now I'm going against your every word!

I will never stop pushing forward, I will stop at nothing.
I WILL NEVER STOP PUSHING FORWARD, I WILL STOP
NOTHING!

I HAVE BECOME!
STRONGER THAN EVER! STRONGER THAN EVER!
I HAVE BECOME!
STRONGER THAN EVER! STRONGER THAN EVER!
I HAVE BECOME!
