You can't destroy something you can't be a part of!  
Something you could never be! Never be!  
Look inside and ask yourself why  
YOU TOOK YOUR SELFISH LIFE FOR GRANTED!

Sit back, while I give you the pleasure  
Of watching me grow, WATCH ME GROW!  
Hear my voice! Let it sink in  
CAUSE YOU'LL NEVER BE WHAT I am!

All I see in you is MISERY!  
Spread it out like it's a disease!  
All I see in you is MISERY!

MISERY LOVES COMPANY!  
MISERY LOVES COMPANY!

AND THAT'S WHY YOU'RE ALONE IN THIS WORLD!

THAT'S WHY YOU'RE ALONE IN THIS WORLD!  
WITH NO ONE WHO GIVES A FUCK ABOUT YOU!

All I see in you is MISERY!  
Spread it out like it's a disease!  
All I see in you is MISERY!  
It's all I will ever see!  
All I see in you is MISERY!

Make sure to hide from your reflection!  
Because reality is so UGLY!
