(Andy Hill, Pete Sinfield)

Close the door

Shut the world away

All the fight's gone from this wounded heart

Across the floor

Dreams and shadows play

Like wind blown refugees

Call the man

Who deals in love beyond repair

He can heal the world

Of hearts in need of care

Shine a light ahead

When the next step is unclear

Call the man

He's needed here

I close my eyes

I remember when

Your sweet love filled this empty room

The tears I cry

Won't bring it back again

Unless the lonely star should fall

Call the man

Who deals in love beyond repair

He can heal the world

Of hearts in need of care

Shine a light ahead

When the next step is unclear

Call the man

He's needed here

Needed in the chaos and confusion

>From the plains to city hall

Needed where the proud who walk the wire are set to fall

Call the man

Who deals in once upon a time

Maybe he

Can mend this broken heart of mine

Shine a light ahead

Now the future isn't clear

Call the man

He's needed here

Call the man
He's needed here
He's needed here
He's needed here
Call the man
He's needed here
Right here right now
