(S. Swirsky, A. Roman)

You say you still don't know the reason why

I walked away

I know you thought you were so good to me

I didn't see it that way

My love's not something you can buy and sell

Like pearls on a string

And if you want to know where we went wrong

You ought to stop and think

(Chorus)

Did you give enough love, did you show that you  
cared?

When I needed understanding were you really there?

Whenever I was down did you try to pick me up?

Maybe you should ask yourself, did you give enough  
love?

Did you give enough love?

Good intentions I know you had, right from the start

But if you wonder why we didn't last

Just look inside your heart

(Chorus)

(Bridge)

Did you give enough time when I was alone

When I needed you there to make me feel I belonged

You just don't know what you do to me

I just had to be free
