Every night in my dreams  
I see you, I feel you  
That is how I know you go on.  
Far across the distance  
and spaces between us  
You have come to show you go on.  
Near, Far, wherever you are  
I believe that the heart does go on  
Once more, you opened the door  
And you're here in my heart,  
and my heart will go on and on.  
Love can touch us one time  
and last for a lifetime  
And never let go till we're gone.  
Love was when I loved you,  
one true time to hold on to  
In my life we'll always go on.  
Near, far, wherever you are  
I believe that the heart does go on  
Once more, you opened the door  
And you're here in my heart,  
and my heart will go on and on.  
You're here, there's nothing I fear  
And I know that my heart will go on.  
We'll stay, forever this way  
You are safe in my heart  
and my heart will go on and on.
