I've been over you
For some time now, baby
I don't miss your kiss
Like before now
Anymore now
If you ask me how I'm doin/, I'm fine
All I needed was a little time
So if you think that I still need ya, baby
I really don't know why
chorus:
Oh, baby, since you left me
It might look like my world's been torn apart
But if you see me
Baby, you'll see that nothin's broken
Nothin's broken but my heart
You won't see those tears
In my eyes now, baby
If you think I'm sad
That you're gone now
Well you're wrong now
If you ask I'll say I'm happy I'm free
Tell you that's the way I wanna be
And all those nights we spent together, baby
Well they don't mean a thing
chorus
Oh baby, you might think my world's been torn apart
Oh but you'll see that nothing's broken,
Nothing's broken but my heart
So if you think that I still need you baby
I don't think about you
I'm happy now without you
chorus
Baby, you might think my world's been torn apart
But nothing's broken, nothing broken but my heart...
