(Eric Carmen, Sergei Rachmaninoff)
Spanish adaptation of All by myself.
Alone once again.
Quis? volar
Y conoc? la soledad
Jugu? al amor sin entregar
Sin esperar
I wanted to fly
And I knew the loneliness
I played to love without showing myself
Without hope
Salgo a buscar
Alguna huella, una se?al
Hacer mi sue?o realidad
Poder amar
I'm looking for
A trace, a mark
To make my dream come true
To be able to love
Sola otra vez
No s? vivir
Sola otra vez
Sin amor
Alone once again
I don't know how to live
Alone once again
Without love
Quiero saber
Como es que siente una mujer
Mi coraz?n no aguanta m?s
La soledad
I want to know
How being a woman feels
My heart can't hold no more
The loneliness
Sola otra vez
No s? vivir
Sola otra vez
Sin amor
Alone once again
I don't know how to live

Alone once again
Without love
Sola otra vez
Estoy aqu?
Sola otra vez
Sin amor
Alone once again
I'm here
Alone once again
Without love
Quis? volar
Y conoc? la soledad
Jugu? al amor sin entregar
Sin esperar
I wanted to fly
And I knew the loneliness
I played to love without showing myself
Without hope
Sola otra vez
No s? vivir
Sola otra vez
Sin amor
Alone once again
I don't know how to live
Alone once again
Without love
Sola otra vez
No s? vivir
Alone once again
I don't know how to live
Sin amor
Ya no quiero estar tan sola otra vez sin amor
Otra vez, sin amor...
Sin amor
Sola otra vez
No s? vivir
Sin amor
Sola
Without love
I don't want to be as alone again without love
Once more, without love...
Without love
Alone once again
I don't know how to live
Without love
Alone
