Deep within each heart there lies a magic spark
That lights the fire of our imagination
And since the dawn of man
The strength of just 'I can'
Has brought together people of all nations
There's nothing ordinary in the living of each day
There's a special part every one of us will play
Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
As the world gives us its best
To stand apart from all the rest
It is the power of the dream that brings us here
Your mind will take you far
The rest is just your heart
You'll find your fate is all your own creation
And every boy and girl as they come into this world
They bring the gift of hope and inspiration
Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
The world unites in hope and peace
We pray that it will always be
It is the power of the dream that brings us here
There's so much strength in all of us
Every woman, child, and man
It's the moment that you think you can't
You'll discover that you can
Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
The world unites in hope and peace
We pray that it will always be
It is the power of the dream that brings us here
Feel the flame forever burn
Teaching lessons we must learn
We've got to learn
To bring us closer to the power of the dream
The world unites in hope and peace
We pray that it will always be
It is the power of the dream that brings us here

To realize the power of the dream
To realize the power of the dream
