Here she comes, once again  
I can still remember when  
We were close as can be  
Now she won't acknowledge me

And it's all the same  
And I refuse to play your game  
No matter what I do for you  
I'm still to blame

Love is gone, so are you  
You've got better things to do  
Now I find in the end  
I have lost my one true friend

But it's all the same  
And I refuse to play your game  
No matter what I do for you  
I'm still to blame

Mother's a living thing  
But sometimes she's bad from forgiving things  
But I would give anything  
If a means to an end could be found

But it is all rushing  
And I refuse to play your game  
No matter what I do for you  
I'm still to blame

Love is a heaven thing  
But sometimes it's cruel from deserving things  
It's only in certain things  
It can be lost just as fast as it's found

I feel tough, life is great  
Good things come to those who wait  
Now she's gone and I find  
Love is just a state of mind

But it's all the same  
And I refuse to play your game

No matter what I do for you  
I'm still to blame
