Deaf, dumb and blind boy  
He's in a quiet vibration land  
Strange as it seems, his musical dreams  
Ain't quite so bad

Ten years old  
With thoughts as bold as thoughts can be  
Loving life and becoming wise  
In simplicity

Sickness will surely take the mind  
Where minds can't usually go  
Come on the amazing journey  
And learn all you should know

A vague haze of delirium creeps up on me  
All at once a tall stranger I suddenly see  
He's dressed in a silver sparked glittering gown  
And his golden beard flows

Nearly down to the ground

Nothing to say, nothing to hear  
And nothing to see  
Each sensation makes  
A note in my symphony

Sickness will surely take the mind  
Where minds can't usually go  
Come on the amazing journey  
And learn all you should know

His eyes are the eyes that transmit all they know  
Sparkle warm crystalline glances to show  
That he is your leader and he's your guide  
On the amazing journey together you'll ride
