"If I Fell"

If I fell in love with you would you promise to be true
And help me understand
'Cause I've been in love before and I found that love
was more
Than just holding hands

If I give my heart to you, I must be sure from the very
start
That you would love me more than her
If I trust in you, oh please don't run and hide
If I love you too, oh please don't hurt my pride like her

'Cause I couldn't stand the pain
And I would be sad if our new love was in vain
So I hope you see that I would love to love you
And that she will cry when she learns we are two

?Cause I couldn't stand the pain
And I would be sad if our new love was in vain
So I hope you see that I would love to love you
And that she will cry when she learns we are two
If I fell in love with you
