Things get better when we're apart
'Cause every time I'm with you
Girl, you break my heart
'Cause you don't look at things the same as me

You say stay and I say no
You make me wanna run
When you say hello
'Cause you and I will always disagree

I will stand up, I will fall
Please don't wait for me to call
I would like to say I'm sorry
But I won't

Words you whispered into my ear
Just make me wanna run
Wanna disappear
'Cause I don't look at things the way you do

I'm not happy when you're around
You make me wanna run,
Fall and hit the ground
And you're just not the girl that I once knew

I would like to make your day
But I'd rather fade away
I would like to say I'm sorry
But I won't

Now my back's against the wall
But I'm not afraid at all
I would like to say I'm sorry
But I won't

Things get better when we're apart
And every time I'm with you, girl
You break my heart
'Cause I don't look at things the way you do

You will not forgive my sins
In this game where no one wins

I would like to say I'm sorry
But I won't

No, I'm never going to stay
And I'll soon be on my way
I would love to say I'm sorry
But I won't

Say sorry, baby but I won't
Baby, I won't
Say sorry, baby but I won't
Baby, I won't

Say sorry, baby but I won't
Baby, I won't
Say sorry, baby but I won't
