Welcome to the camp, I guess you all know why we're here

My name is Tommy, and I became aware this year  
If you want to follow me, you've got to play pinball  
And put in your earplugs, put on your eyeshades, you  
know where to put the cork

Hey, you, getting drunk, so sorry, I've got you sussed  
Hey, you, smoking Mother Nature, this is a bust  
Hey, hung up old Mr. Normal, don't try to gain my trust  
'Cause you ain't gonna follow me any of those ways  
although you think you must

We're not gonna take it  
We're not gonna take it  
We're not gonna take it  
We're not gonna take it

We're not gonna take it, never did and never will  
We're not gonna take it, gonna break it, gonna shake it  
Let's forget it better still

Now you can't hear me, your ears are truly sealed  
You can't speak either, your mouth is filled  
You can't see nothing and pinball completes the scene  
Here comes Uncle Ernie to guide you to your very own  
machine

We're not gonna take it  
We're not gonna take it  
We're not gonna take it  
We're not gonna take it

We're not gonna take it, never did and never will  
Don't want no religion and as far as we can tell  
We ain't gonna take you, never did and never will  
We're not gonna take you, we forsake you, gonna rape  
you  
Let's forget you better still

We forsake you, gonna rape you  
Let's forget you better still

See me, feel me, touch me, heal me  
See me, feel me, touch me, heal me  
See me, feel me, touch me, heal me  
See me, feel me, touch me, heal me

Listening to you, I get the music  
Gazing at you, I get the heat  
Following you, I climb the mountains  
I get excitement at your feet

Right behind you, I see the millions  
On you, I see the glory  
From you, I get opinions  
From you, I get the story

Listening to you, I get the music  
Gazing at you, I get the heat  
Following you, I climb the mountains  
I get excitement at your feet

Right behind you, I see the millions  
On you, I see the glory  
From you, I get opinions  
From you, I get the story

Listening to you, I get the music  
Gazing at you, I get the heat  
Following you, I climb the mountains  
I get excitement at your feet

Right behind you, I see the millions  
On you, I see the glory  
From you, I get opinions  
From you, I get the story
