I've got somethin' to say that might cause you pain  
If I catch you talkin' to that boy again  
I'm gonna let you down and leave you flat  
Because I told you before, oh you can't do that

Well, it's the second time I've caught you talkin' to him  
Do I have to tell you one more time I think it's a sin?  
I think I'll let you down and leave you flat  
(Let you down)  
(Gonna let you down and leave you flat)  
Because I told you before, oh you can't do that

Everybody's green 'cause I'm the one who won your  
love  
But if they'd see you talking that way they'd laugh in  
my face

So please listen to me if you wanna stay mine  
I can't help my feelings, I'll go out of my mind  
I think I'll let you down and leave you flat  
(Let you down)  
(Gonna let you down and leave you flat)  
Because I told you before, oh you can't do that

You can't do that, you can't do that  
You can't do that, you can't do that  
You can't do that

Everybody's green 'cause I'm the one who won your  
love  
But if they'd see you talking that way they'd laugh in  
my face

So please listen to me if you wanna stay mine  
I can't help my feelings, I'll go out of my mind  
I think I'll let you down and leave you flat  
(Let you down)  
(Gonna let you down and leave you flat)  
Because I told you before, oh you can't do that
