### 1. Strophe:

Oh be my little baby - I never never give it up  
Oh be my little lady - come and let us try a start  
No one can love you baby - better then I do  
Oh I know, I relly know - what I feel for you!

Chorus:

You drive me crazy, Oh tonight  
You be my baby, let us try  
Until we meet again, I miss you so  
Oh don't let it end, can't let you go  
You drive me crazy  
Oh tonight my love

## 2. Strophe:

Oh tell me there's no maybe  
I love you more and more and more

start
