The abandoned moonlight bleeds in me
Seduces in seconds
The sculptured chest - open wide
My angel a relic of God
Cold the burden of past, beside essential wrath
Burns me - opens me

ARTESIAN WELL - SUBCONSCIOUS WRATH
PROFOUND SYMBOLS -
THE STRANGLED AEONS BLOOD
A frozen serum of moonblood and nightrain
And strangled is the orchid - once stood
Scars were given to me in fourth astral world
I spit and vomit
Bowed down - BUT STUBBORN
I AM MARTYRIUM

ARTESIAN WELL - SUBCONSCIOUS WRATH
PROFOUND SYMBOLS -
THE STRANGLED AEONS BLOOD

Heaven - thou have devoured my love
For that i will arrive

Azuretomb - Open horizon
I will take my REVENGE
