Costal angels float through the welkin
With bloody orchids in their (astral) hands
Fractured spinal columns - mutilation
Blind prophets whine
Witness - Visionaire cast out
Paradise meltdown
Nailed into a restricted relic - Isolated
But the relic bleeds

NOT MY LIFE: NEITHER HEAVEN
NOR HELL I INHALE
PAIN: BUT IN SLUMBER I WILL BE REBORN.
I DEMAND!!
Your GOD is enthralled by spirits flesh
Vampires in majestic distance
Reptiles cut flesh - Depravity
Whores slice at you
Mineralized tears arise
Immeasurable dimensions
I nail and vomit blood

NOT MY LIFE: NEITHER HEAVEN
NOR HELL I INHALE
PAIN: BUT IN SLUMBER I WILL BE REBORN.
I DEMAND!!

Demons have given false ICONS unto me
My angel, why have you forsaken me?
I CARVE UP AND DIE AGAIN!!!
