like chocolate, but my hips sure don't
I like drinkin' red wine, but tomorrow my head sure
won't
These are just some things that I love that are bad for
me

I like shoppin', but my purse sure don't
I like wearin' high heels, but tomorrow my feet sure
won't
These are just some things that I love that are bad for
me

But of all the things I shouldn't do
Number one is lovin' you
There's a fatal jump in your faithless arms
Why is everything that feels so dang good bad for me?

I like fast cars, but the law sure don't
I like partyin' late, but tomorrow my boss sure won't
These are just some things that I love that are bad for
me

But of all the things I shouldn't do
Number one is lovin' you
There's a fatal jump in your faithless arms
Why is everything that feels so dang good bad for me?

Oh, I like danger, but common sense sure don't
Tonight I'll like your sweet lies, but tomorrow my heart
sure won't
These are just some things that I love that are bad for
me

But of all the things I shouldn't do
Number one is lovin' you
There's a fatal jump in your faithless arms
Why is everything that feels so dang good bad for me?

Oh, you're one of those things I love, but you're bad for
me
So bad for me
