Be Strong and Courageous

by Michael W. Smith & Deborah D. Smith

on Project (1982)

My servant, now your time has come

You have have a job to do

I have a people to be led

And a willing heart in you

So I give you strength and courage

And I'll hide you in my hand

For Joshua, you gotta live for your call

Take my people to their land

Chorus:

So be strong and courageous

So be strong and courageous

You know you gotta be strong and courageous

So be strong and courageous

Never should you feel my call

Just listen and obey

Discouragement need never fall

Stand on the words I say

You know I led your fathers here

And you know I'll lead you too

Inscribe my law into your soul

And nothing will touch you

Chorus

Repeat Chorus
