1st Verse:

You breathe in me

And I'm alive

With the power of your holiness

You breathe in me

And you revive

Feelings in my soul

That I have laid to rest

Chorus:

So breathe in me

I need you now

I've never felt so dead within

So breathe in me

Maybe somehow

You can breathe new life

In me again

2nd Verse:

I used to be

So sensitive

To the light that leads

To where you are

Now I've aquired

These callouses

With the darkness of

A cold and jaded heart

Repeat Chorus
