Could He be the Messiah

by Michael W. Smith & Deborah D. Smith

on Project (1982)

Been here for days, I'm amazed

(at) this teacher, carpenter,

preacher

Lost in the crowd, I hear Him

now, He's praying and He's

saying "God feed them all"

Five-thousand men, all of His

friends are worried find

bread and hurry

Five loaves and fish, what can He

wish, He's praying still He's

saying "God feed them all"

Chorus:

Could He be the Messiah?

Miracle man, part of the plan

Could He be the Messiah?

Life in His hand

I understand He could be...

Met for our needs fully He
feeds our hunger older and
younger
Twelve baskets more, can we
ignore, He shows us that He
knows us, is He the Christ?
God in His eyes, I realize His
power, need of the hour
Jesus His name, they say He
came to feed us, and to
receive us, is He the Christ?

Chorus

Repeat Chorus

It is He the Messiah!
Miracle man, part of the plan
It is He the Messiah!
Life in His hand
I understand it is He

Repeat Chorus
