Go West Young Man

=====

I'm blazing a trail that leads to vice

So easily enticed

By darker means

When out of the wilderness of choice

I hear that one still voice

Call to me

(chorus) Go West young man

Go West young man

When the evil go East

Go West young man

Go West young man

Find a heart that's golden

Why must I wander like a cloud

Following the crowd

Well I don't know

But I'm asking for the will to fight

To wear the Crown of Life

And You say go

(chorus)

The mind is weak the heart is frail

When it goes beyond the pale

So unwise

(chorus
