In the passion your heart is abused

He is pushing you, you have to choose

Oh Rebecca love is never

Easy anymore

Oh, Rebecca so afraid of

Losing what is yours

Chorus:

Are you giving in to the pressure

Holding you again, now he tells you

What it takes to be in love

He believes you're old enough

But how you gonna feel tomorrow

When the day reveals

What you believed was for the sake of love

Don't you think you're old enough to know

You're a breed of few and far between

Holding on to your romantic dream

Oh, Rebecca, love is patient

Love would understand

Oh, Rebecca, your decision

It's your only chance

Chorus

Bridge:

Oh Rebecca don't confuse what love is

With what some say love should be

Should be
