Picture Perfect

by Michael W. Shith & Wayne Kirkpatrick

on Change Your World (1992)

Put all your hair up

Dab on the make-up

Trying hard to look so pristine

Like a face in a magazine

Those fancy dressers and

Media pressure

Have got you feeling so plain and small

If you don't look like a paper doll

In a world where the goal is

To be like the Joneses

It's guaranteed to drive you wild

Keeping up with the latest style

Gaze in tge mirror

You want the glamour

And the grace of a movie star

But I lkie you the way you are

You are the only one I'm dreaming of

'Cause baby don't you know that I love

Chorus:

You, Girl

You don't have to be picture perfect

To be in my world

Girl

You don't have to be picture perfect

To fit the frame

You're tender, you're tactful

Girl, you're a natural

You possess a heart that's true

That's what I like about you

One in a million

Yea, that's a given

There's a beauty inside of you

And it shows on the outside too

No competition, you're way in the lead

And baby, don't you know that I need...

Chorus

Bridge
