The wind is moving  
But I am standing still  
A life of pages  
Waiting to be filled  
A heart that's hopeful  
I head that's full of dreams  
But this becoming  
Is harder than it seems  
Feels like I'm  
Looking for a reason  
Roamin' for the night to find  
My place in this world  
My place in this world  
Not a lot to lean on  
I need your light to help me find  
My place in this world  
My place in this world  
If there are millions  
Down on their knees  
Among the many  
Can you still hear me

Hear me asking

Where do I belong?

Is there a vision

That I can call my own?

Show me, I'm

Looking for a reason

Roamin' through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

Lookin' for a reason

Roamin' through the night to find

My place in this world

My place in this world

Not a lot to lean on

I need your light to help me find

My place in this world

My place in this world

Lookin' for a reason

Roamin' through the night to find

My place in this world

My place in this world
