Young men, up on the hillside  
Teaching their ways  
Each word, winning them over  
Each heart a kindled flame  
Old men, watch from the outside  
Guarding their prey  
Threated by the voice of a paragon  
Leading their lambs away  
Leading them far away  
Nobody knew his secret ambition  
Nobody knew his claim to fame  
He broke the old rules steeped in tradition  
He tore the holy veil away  
Questioning those in powerful positions  
Running to those who called his name  
But nobody knew his secret ambition  
Was to give his life away  
His rage, shaking the temple  
His word to the wise  
His hand, healing on the seventh day  
His love wearing no disguise

Some say, death to the radical

He's way out of line

Some say, praised be the miracle

God sends a blessed sign

A blessed sign for troubled times

Nobody knew his secret ambition

Nobody knew his claim to fame

He broke the old rules steeped in tradition

He tore the holy veil away

Questioning those in powerful positions

Running to those who called his name

But nobody knew his secret ambition

Was to give his life away...

Ohh... Oh... Oh...

Nobody knew his secret ambition

Nobody knew his claim to fame

He broke the old rules steeped in tradition

He tore the holy veil away

Questioning those in powerful positions

Running to those who called his name

But nobody knew his secret ambition

Was to give his life away

Oooohh...

No no, No no

I tell you nobody knew

Until he gave his life away

No
