Somewhere Somehow (duet with Amy Grant)

by Michael W. Smith, David Foster, Wayne Kirkpatrick & Amy Grant

on Change Your World (1992)

Standing in our silence

I hear my heart beating

And if only I could choose

I'd stay here with you

But hold me till the train is leaving

Somewhere down the line

After you've gone from sight

Our love will be the same

And, whispering your name,

I'll cling to you with all my might

Let me dream of you

But it's true

And wake me up when this is over

Love will be there when this is over and

Chorus:

Somewhere far beyond today

I will find a way to find you

And somehow thru the lonely nights
I will leave a light in the dark
Let it lead you to my heart
There's a love inside us
Deep down inside
That goes without saying
Don't say a word
But I'll tell you just the same
And that love will fan the flame
And that flame will warm the heart that's waiting
You are mine and I'll wait for you my love
You are mine it may take some time
Even if it takes a lifetime
Tell me you'll wait
Chorus
Bridge:
And somewhere alone
I will be praying you home
I know that somewhere our love
Our love will lead me to your arms
Chorus
