1st Verse:

If they were to write about

The story of my life

They would have to mention you

With every page they'd write

There's another side to every story told

If I were the ocean

You would be the shore

One without the other one

Would be need something more

We are the shadow and the light

Chorus:

Always love me

Never leave me now

Now you are the other side of me

(Repeat)

2nd Verse:

I have known the emptiness

Of feeling out of touch

and living life without you here

Would be living half as much

'Cause I've a need that only you could fill

If love was mathematical

You'd understand the sum

To the heart's equation

Where one and one makes one

and lonely equals me minus you

Repeat Chorus
