It was a test we could all hope to pass

But none of us would want to take

Faced with the choice to deny God and live

For her there was one choice to make

CHORUS:

This was her time

This was her place

She lived every moment

Left nothing to chance

She swam in the sea

Drank of the deep

Embraced the mystery

Of all she could be

This was her time

Though you are mourning, and grieving your loss,

Death died a long time ago

Swallowed in life, so her life carries on

Still, it's so hard to let go

CHORUS:

This was her time

This was her place

She lived every moment

Left nothing to chance

She swam in the sea

Drank of the deep

Embraced the mystery

Of all she could be

What if tomorrow

What if today

Faced with the question

Oh, what would you say

INTERLUDE

This is your time

This is your place

Live every moment

Leave nothing to chance

Swim in the sea

Drink of the deep

And fall on the mercy

And hear yourself praying

Won't you save me
