Bought on stolen wine
A nod was the first step
You knew very well
What was coming next

Bought on stolen wine
A nod was the first step
You knew very well
What was coming next

Did I really walk all this way
Just to hear you say
Oh, I don't want to go out tonight
Oh, I don't want to go out tonight

Oh, but you will, for you must
I don't owe you anything, no
But you owe me something
Repay me now

You should never go to them
Let them come to you
Just like I do
Just like I do

You should not go to them
Let them come to you
Just like I do
Just like I do

Did I really walk all this way
Just to hear you say
Oh, I don't want to go out tonight
Oh, I don't want to go out tonight

But you will, for you must
I don't owe you anything, no
But you owe me something
Repay me now

Too freely on your lips
Words prematurely sad

Oh, but I know what will make you smile tonight

Life is never kind

Life is never kind

Oh, but I know what will make you smile tonight
