Learn to love me assemble the ways  
Now, today, tomorrow and always  
My only weakness is a list of crime  
My only weakness is well, never mind, never mind

Shoplifters of the world, unite and take over  
Shoplifters of the world, hand it over, hand it over,  
hand it over

Learn to love me and assemble the ways  
Now, today, tomorrow, and always  
My only weakness is a listed crime  
But last night the plans of a future war was all I saw on  
channel four

Shoplifters of the world, unite and take over  
Shoplifters of the world, hand it over, hand it over,  
hand it over

A heartless hand on my shoulder, a push and it's over  
Alabaster crashes down, six months is a long time  
Tried living in the real world instead of a shell  
But before I began, I was bored before I even began

Shoplifters of the world, unite and take over  
Shoplifters of the world, unite and take over  
Shoplifters of the world, unite and take over  
Shoplifters of the world, take over
