The boy with the thorn in his side  
Behind the hatred there lies a murderous desire for  
love

How can they look into my eyes  
And still they don't believe me?  
How can they hear me say those words  
Still they don't believe me?

And if they don't believe me now  
Will they ever believe me?  
And if they don't believe me now  
Will they ever, will they ever, believe me?

The boy with the thorn in his side  
Behind the hatred there lies a plundering desire for  
love

How can they see the love in our eyes  
And still they don't believe us?  
And after all this time  
They don't want to believe us

And if they don't believe us now  
Will they ever believe us?  
And when you want to live, how do you start  
Where do you go, who do you need to know?
