Take me out tonight
Where there's music and there's people
And they're young and alive

Driving in your car
I never never want to go home
Because I haven't got one
Anymore

Take me out tonight
Because I want to see people
And I want to see life

Driving in your car
Oh, please don't drop me home
Because it's not my home, it's their home
And I'm welcome no more

And if a double-decker bus crashes into us
To die by your side is such a heavenly way to die
And if a ten-ton truck kills the both of us
To die by your side, well, the pleasure, the privilege is
mine

Take me out tonight
Take me anywhere
I don't care, I don't care, I don't care

And in the darkened underpass
I thought, oh, God, my chance has come at last
But then a strange fear gripped me and I just couldn't
ask

Take me out tonight
Oh, take me anywhere
I don't care, I don't care, I don't care

Driving in your car
I never never want to go home
Because I haven't got one, no no no
Oh, I haven't got one

And if a double-decker bus crashes into us
To die by your side is such a heavenly way to die
And if a ten-ton truck kills the both of us
To die by your side, well, the pleasure, the privilege is
mine

Oh, there is a light and it never goes out
There is a light and it never goes out
There is a light and it never goes out
