I know I?m unloveable, you don?t have to tell me
I don?t have much in my life, take it, it?s yours
I don?t have much in my life, take it, it?s yours

I know I?m unloveable, you don?t have to tell me
Message received loud and clear, loud and clear
I don?t have much in my life, take it, it?s yours

I know I?m unloveable, you don?t have to tell me
For message received loud and clear
Loud and clear message received
I don?t have much in my life but take it, it?s yours

I wear black on the outside
?Cause black is how I feel on the inside
I wear black on the outside
?Cause black is how I feel on the inside

And if I seem a little strange
Well, that?s because I am
And I seem a little strange
Well, that?s because I am

But I know that you would like me
If only you could see me
If only you could meet me

I don?t have much in my life but take it, it?s yours
I don?t have much in my life but take it, it?s yours
