Oh, the nights are too long
When the questions are long
I tried, but I will never understand
What Do You See In Him ?
What Do You See In Him ?
Oh ...

She's the lifeblood of me
As you walk hand in hand
And I try, and I try, and I try
But I will never understand
Oh, What Do You See In Him ?
I ask myself :-
What Do You See In Him ?
Oh ...
But she will plague you and I will be glad
Yes, she will plague you and I will be glad
Oh ...
Oh ...
