Day one drove in from the desert
Small town waiting for the sun to rise
Saw a poster at the townhall that face, the million dollar
smile

A man wanted dead or alive
Yeah yeah yeah

I said Adios amigos - I gotta go
I gotta get that boy, hope he's ready for more
I'll take him down I'll make him mine
I said adios amigos I gotta go, amigos bye bye

Day two dawning through the gunsmoke.
Cashed in, left him by the county jail
Felt so good money in my pocket
Looked up and then I saw another

Sign: Wanted dead or alive
Yeah yeah yeah

I said Adios amigos...

Day number three, day number three
I'm rich, now they want me
They want me dead or alive

Yeah yeah yeah...

I say Adios amigos - I gotta go
You gotta get this girl, hope you're ready for more
Adios amigos, I gotta go
Dont try to stop me boy or you're back on the floor
Ahhhh

Adios amigos - I gotta go
You gotta get this girl, hope you're ready for more
Forgive forget
This chica's hard to get
I said adios amigos I gotta go, amigos bye bye
