Between pleasure and pain exists a fluid line
I've let it happen again, to fall in love
If you break someone's heart
they say that you are unkind
I've let it happen again, to break my heart

Chorus

And even though I could lose a heart
To someone wrong
I know that I'd do it,
I know that I would do it again
I know that I'd do it,
I know that I would do it again

I guess you already know that old habits die hard
But I keep telling you though
That I'm still that way
It takes me so long to learn from mistakes
I should have known better before

Chorus

What I tell you now is my secret, secret
So don't tell anyone that I am hurt
It takes me so long to learn from mistakes
I should have known better before

Chorus

Can't you learn from mistakes
Enough is enough
And after a time soft hands getting rough
Can't you learn from mistakes
Enough is enough
And after a time soft hands getting rough
Can't you learn from mistakes

Enough is enough
And after a time soft hands getting rough
And after a time soft hands getting rough
