

Smog "Spanish moss"

Anybody else would tell you
My face is dead
But I say it's a lie

There's only one road in
And it's easy
To miss

It's surrounded by swamps
With green
Snakey vines.

Anybody else would tell you
My face is dead
But I say it's alive

There's only one road in
And it's easy
To miss

It's surrounded by swamps
With green
Snakey vines.

Anybody else would tell you
My face is dead
But I say it's a lie
