We are not just friends
I saw it in your eyes
And I hate to bother
But I think we're in love

And it is so cliché
So I've got say
That I really like you
You should get compliments

And just admit that
You saw me in your head
I dream that you dream
Of me in your bed

And I want you to know
That I know what we are
We are so good together
We should get compliments

Whoo hoooooooooooo

And just admit that
You saw me in your head
I dream that you dream
Of me in your bed

And I want you to know
That I know what we are
We are so good together
We should get compliments

Whoo hoooooooooooo
