[INTRO]

This that Coldblack  
This is

Haha, yeah

[VERSE ONE]

Dawg I be on that sick tip, 'bout time you clocked like a  
lit wrist  
Get this, I be Tony Hawk'n, no kickflips  
This Is, DA. Yeah yeah yeah  
Like the lightskin, pretty boy all the way from VA

Relay, this just comes easy  
Sitting on a clock, on time no delay  
Pass me the pepay, oh I meant the paper  
I'm strong, swallow your pride with no chaser

Life is a bitch you should see the way I rape her  
LOL JK, edge is much straighter  
She just gets drawn to me but I can't erase her  
Life is a game, these days I'm one player

Tell me what you want from me? Let me get my game  
up  
Haters try matching up, then I raise up  
Everything I've made, what! still ain't dope enough?  
Higher than a couple others locked in a hotbox, drop  
Uh

[CHORUS]

So what you want from me?  
I got the game wrapped up no response mummy (yeah)  
Lone Wolf'n on the top dummy  
Been froze, so cold, been told yeah we all coming

So what you want from me?  
I got the game wrapped up no response mummy  
(Crash)  
Lone Wolf'n on the top dummy  
Been froze, so cold, been told yeah we all coming

[VERSE TWO]

Think I've found my new niche  
I'm a thief by nature and I just nicked Lenny Kravitz  
guitar pick  
The stars rip in half, spittin' bars splittin' pricks  
Hit and scar, who is hard? no pazzars or pizzazz

Tell my Dad what I'm really up to  
Couple of beats ago, I was on that "uck you"  
Now I'm on that uh, "you know when it all goes down..."  
I give 'em a preview until that clip runs out,  
Now  
I'm back to being me, steady on that Buck tip  
Milwaukee, some love me, the rest truck dip  
Like people creeping sneaky with that skunk kit  
And the cops just pulled up that's when the fun hits

Home. I just stole Wiz Khalifa's weed  
And wrote a letter of apology convincing him it wasn't  
me, jeez  
Got problems at least I'm being honest  
This Is, the Lone Wolf brother you gotta love it  
Yeah

[CHORUS]

[VERSE THREE]

Ummm... harder than your hardest rapper  
Smarter with a target for laughter and less chitter  
chatter  
Name me a sicker rapper? Didn't think so  
Vibrant as laying in main roads with pink coats

Explode shows with flows and then I dip low  
Recognised? no, like them cops in plain clothes  
You stop and they know, I stop and they complain  
Which shows we ain't the same, my reigns supreme

My reign's dear to me, so hold on tight  
Buck right, never left me 'cos I love life  
Hate hype, calmer than thunder storms and light  
strikes  
Grab a knife, no I meant a mic 'cos I like writ-ing

Out my dreams. I'm Charlie Sheen times Idi Amin  
I'm that mean, (winning) ha  
Locked down and I just lost the key  
So next time best shut up when I speak,  
Peace

[CHORUS]

[OUTRO]

We all coming

We all coming

We all coming

We all coming

This that Coldblack
